

Committee and Members' meeting

The activities of the Monte Generoso Insubrica Astronomy Group (GIA-MG) are coordinated by an Organizing Committee appointed during the annual meeting. The Organizing Committee currently consists in the Director of Ferrovia Monte Generoso and four partners. The committee organizes evenings for amateur astronomers and proposes the experts who will help during the telescope observations.

The Committee is responsible for the instruments and maintenance of the equipment. There are also organized groups of students and other associations who go to the summit to observe the sun and sky.

The Organizing Committee appointed in the meeting of June 16, 2007 consists of:

Francesco Isgrò, Director of Ferrovia Monte Generoso SA;
Luigi Ferioli, Coordinator;
Elia Cozzi;
Francesco Fumagalli;
Massimo Zoggia.
